Art/Music

This week in Art, our students will explore the rich wildlife of the UAE through a creative art project focusing on UAE animals and their habitats.

IT/Computer

This week students will play online games to learn how datasets and algorithms help machines to predict. They can use the following link to practice at home too:

<https://quickdraw.withgoogle.com/>

Physical Education

This Week in PE – Grade-4 Students practiced basketball dribbling using both their dominant and non-dominant hands. They worked through cone courses and rhythm drills to improve control while moving.
